

PFREUNDT vehicle scale

The bridge for every terrain

Versatile, customizable and durable! The PFREUNDT truck scale is available in three different versions:

Floor-mounted steel version

- Transportable, modular steel construction optimal for mobile, temporary use
- Flat construction
- Lateral lane limitation
- No need for earth excavation

Floor-mounted concrete version

- Easy installation of the scale on site
- Lateral lane limitation
- Easy cleaning and maintenance
- No need for earth excavation

Underfloor concrete version

- Simple preparation for installation
- Easy installation of the scale on site
- Can be driven over longitudinally and transversely without lateral lane limitation

Start your digital future with PFREUNDT!

We create the connections and interfaces you need, e.g. via GPS, mobile radio, WLAN and Bluetooth.

Digital weighing data – available in real time. Try the PFREUNDT Web Portal free of charge!
